Hi Ron,

Attached is the information of the EAID SEE costs, along with two other documents that explain what the EAID SEEs do and the impact of not funding them.

Please, let us know if you have any questions.

Thanks, Cristina

Subject: SEE \$

Randy, et al. I'm trying to scare up some other money for the SEE that does work for secrete service. I've contacted Debbie Dietrick and while she doesn't have any money she thought she may be able to help find some from somewhere else... before I send her some information, like how much the SEE currently costs, I think one of the questions likely to be asked is how much of her time does she spend on the secrete service work. I don't know if we talked about that at our meeting. Is it 100% or some thing less. Let me know.

Thanks

Ron
